Whitney High School

Cerritos, CA

**Dear Business Associates, Parents and Friends,**

We are very proud of our school's consistent record of top academic scores in the state. In the past 30 years, Whitney High School has been honored as a "Blue Ribbon School" and a "21<sup>st</sup> Century School of Distinction for Academic Excellence" in 2004.

The Whitney High School Foundation, with support from parents groups, students and teachers, is celebrating this tri-decade moment with a Carnival and Annual Fun(d) Raising festivities on the school site.

We are requesting your support in this endeavor through sponsorship and donations. Your generous donations will help us update the technology needs at Whitney High. What a better way to show your support for the school that brings prestige to the City of Cerritos? We have attached options available to show the Foundation's appreciation.

We thank you in advance for supporting our students, staff and the community of Cerritos. The Whitney Foundation is a non-profit organization staffed by volunteers, and 100% of your donation benefits the school. All donations are tax deductible.

**Best Regards,**
